

# BOX TOPS FOR EDUCATION

## An easy fundraising program for our school!

**Box Tops for Education** is a fundraising program provided to schools by General Mills. It doesn't require you to donate money; instead, money is earned for our school by clipping and turning in Box Tops for Education labels from food and paper products. Tijeras Creek will earn \$1.00 for every completed collection sheet turned in. If each of our scholars turned in just **one** collection sheet per month, our school could earn **\$4,672** per year! And that's not all — we could earn up to \$20,000 just for clipping and sending in Box Tops!

Please look for and clip Box Tops for Education labels from your grocery store items. Box Tops labels can be found on hundreds of participating General Mills products from such brands as Betty Crocker, Yoplait, Pillsbury, Ziploc, Huggies and Kleenex, among many others. Ask your family and friends to clip Box Tops for you as well!

After clipping the Box Tops labels, tape or glue (no staples, please) the label to a Box Tops collection sheet. When all slots are filled please turn the completed worksheet into the Box Tops container located outside the school office. Your scholar will receive a small prize for each completed worksheet turned in. Collection forms will be distributed regularly but are also available on the PTA website.
