

BOX TOPS FOR EDUCATION

An Easy Fundraising Program for our School!

Box Tops for Education is a fundraising program provided to schools by General Mills. It doesn't require you to donate money. Instead, money is earned for Tijeras Creek Elementary by clipping and turning in Box Tops for Education labels off of food and paper products. Tijeras Creek will earn \$0.10 for every label turned in.

Please look for and clip Box Tops for Education labels off your grocery store items. Box Tops labels can be found on hundreds of participating General Mills products, including numerous cereals and fruit snacks, Pillsbury, Betty Crocker, Yoplait, Old El Paso, and Tortino's products. Box Tops labels can also be found on Ziploc and Kleenex brand products.

After clipping the Box Tops labels please tape, glue or staple the label to a Box Tops for Education worksheet (one is provided on the back of this page). When all 25 slots (this current worksheet has 26 slots) are filled please turn the completed worksheet into the orange and black container marked "Box Tops for Education" located outside the school office. **A completed worksheet will earn \$2.50 for Tijeras Creek!** In addition, your scholar will receive a small prize for each completed worksheet turned in.

If you have any questions regarding the Box Tops for Education program please contact Tracy O'Rourke at 949-713-5813.

Thank you in advance for clipping and saving Box Tops!
