Parent Permission to Audition and Commitment Agreement

As the parent of _____, my child has permission to participate in the Kids For Creativity, Inc. production of Beauty and the Beast Jr. I understand that participation requires a time commitment for both my child and me. I agree to volunteer my time as indicated below and do everything I can to help support this year's production. I agree to have my child attend each assigned rehearsal and all performances. I understand that if my child misses more than 3 rehearsals, my child's part may be reassigned to someone else. I have also read and understand the updated play policies for this year that are listed on the previous page and agree to support those policies. I understand there is a non refundable participation contribution requirement associated with this experience which is due on November 30th, and that commitment must be met before a script or music CD can be issued.
